## Ljubljana city center public transport (see Appendix)

The public bus system is called “Ljubljanski potniški promet” (LPP). The buses are colored white with green and yellow markings. Before boarding the bus, you must purchase an Urbana public transport card. Paying with cash on the bus IS NOT possible.

The Urbana card is available from tourist information centers, LPP ticket offices and most of the city’s post offices and newsstands. The price of the transport card is 2 € and a single journey fare is 1.2€. The card allows for up to a 90-minute journey, regardless of the number of buses needed to reach the destination. If your Urbana card is from a Tourist Information Center and you keep the receipt, you can return the card to the place of purchase at the end of your stay and claim a 2€ refund.
