

# Project partner activities - UNIBO

Francesco Orsini, Pier Giacomo Sola

Project number: 586304-EPP-1-2017-1-BA-EPPKA2-CBHE-JP "This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein"

# WP2 activities

---

- Deliverable 2.1: We have worked on the definition of **curriculum draft** (we are still waiting for curriculum from the Kosovo partners). When we will receive both curricula, we will circulate the draft version of the Deliverable in 2 weeks
- Deliverable 2.2: We are working on it and we will circulate it for the end of November
- For the other Deliverable we have to wait for curriculum draft

# WP3 activities

- Organization of Venice study visit (very good evaluation)
- We have to decide dates for the last study visit in Italy:
  - NovelFarm + UrbanFarm2019 February, Pordenone
  - Milan + Turin (maybe plant factory + Terra Madre + Salone del Gusto), September.
  - Rome + Naples (Zappata Romana, Bioparco, Orti della Garbatella, GardensToGrow + UrbanAgr projects in Naples): September

**Feedback: Western Balkan partners will finalise their choice by 30 November 2018**

# WP4 activities

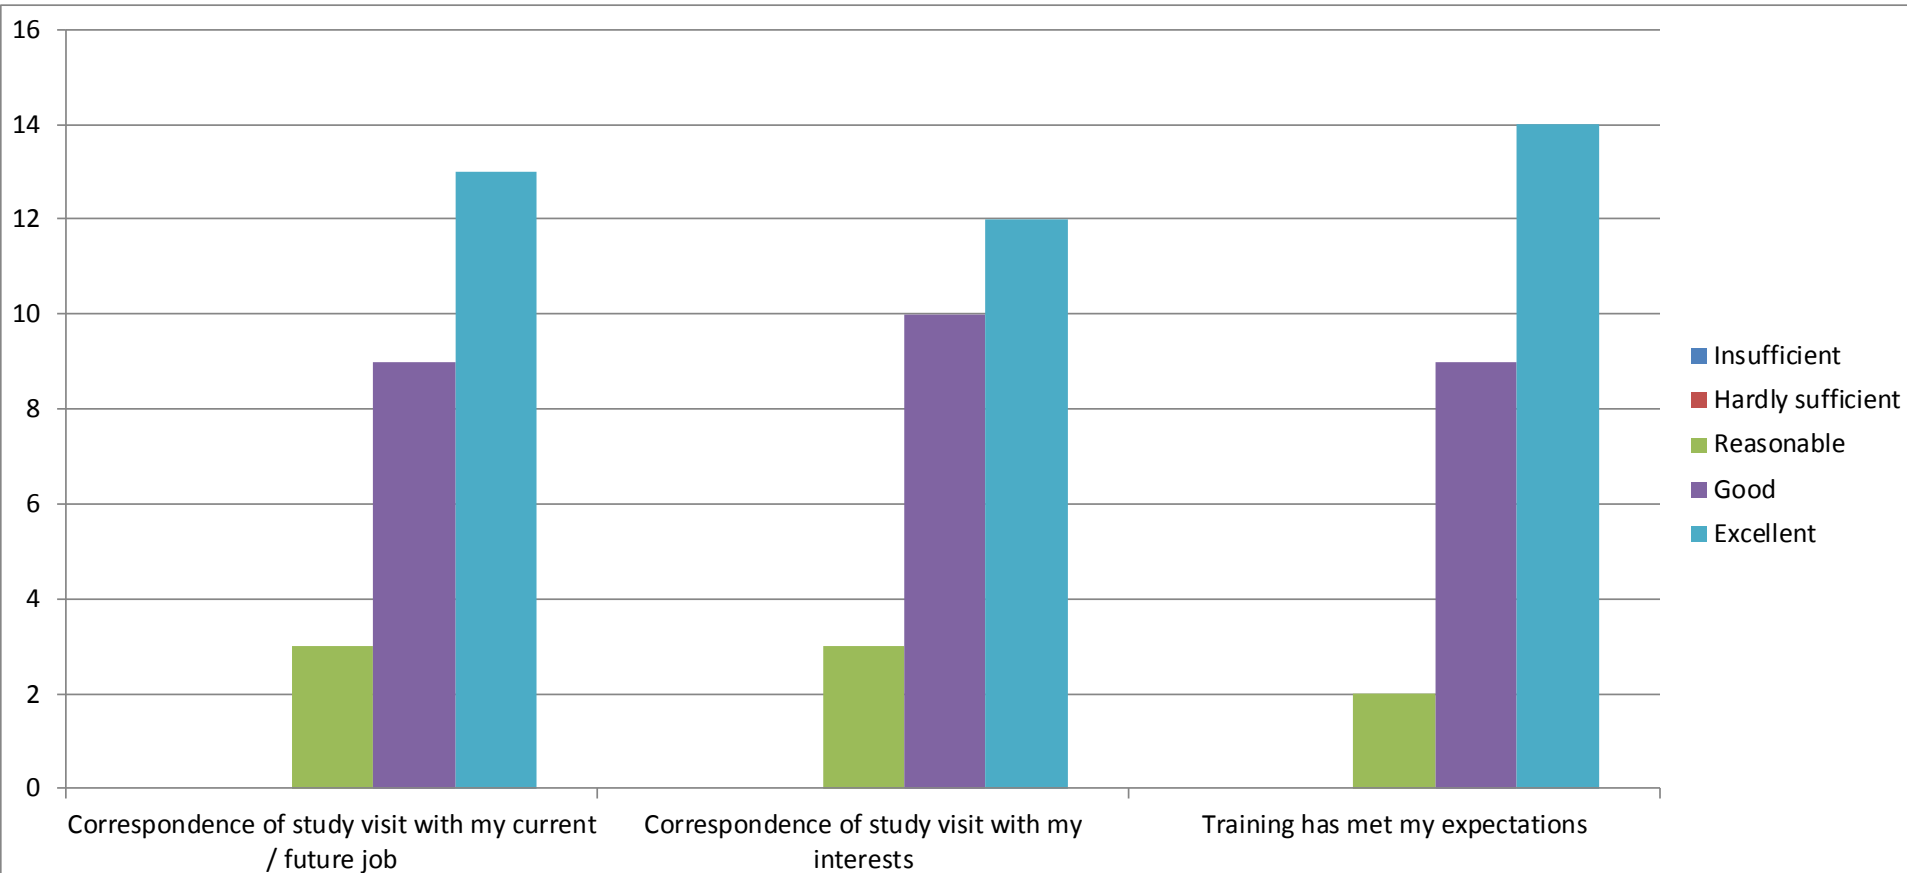

---

- The evaluation of the study visits run until now shows an increasing level of satisfaction from the participants.
- In particular the results achieved in Venice a couple of weeks ago are very high.

# Acquisition of new skills

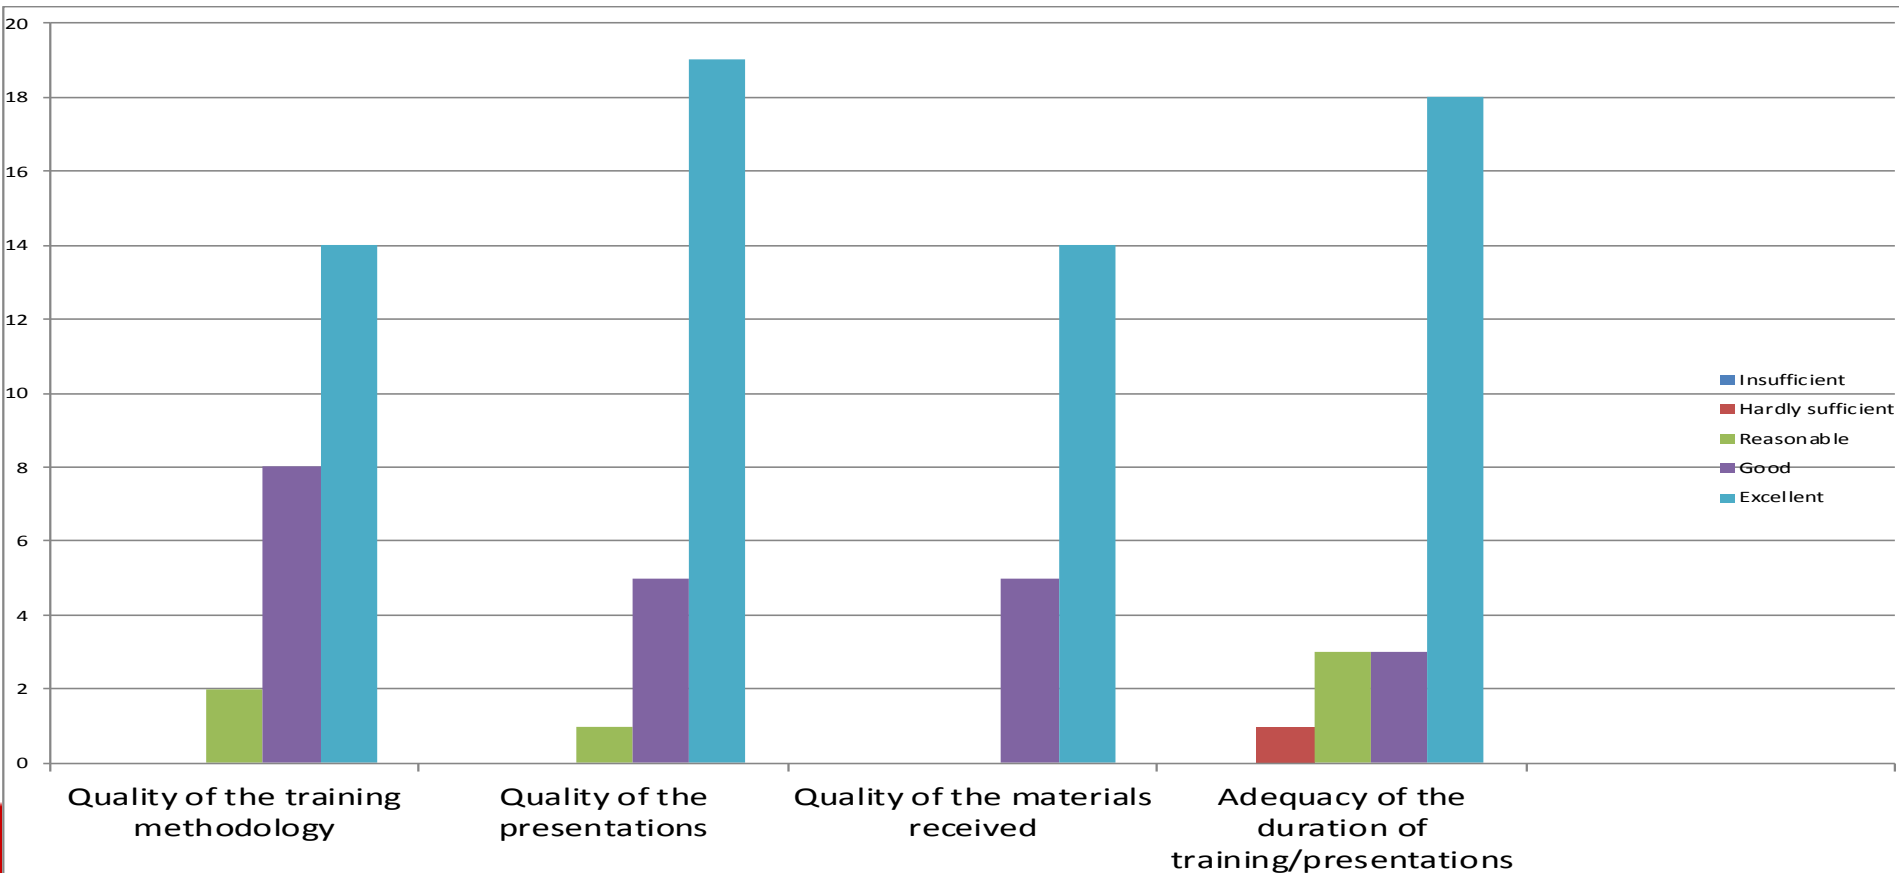

- Rather good!

# Effective materials & methods

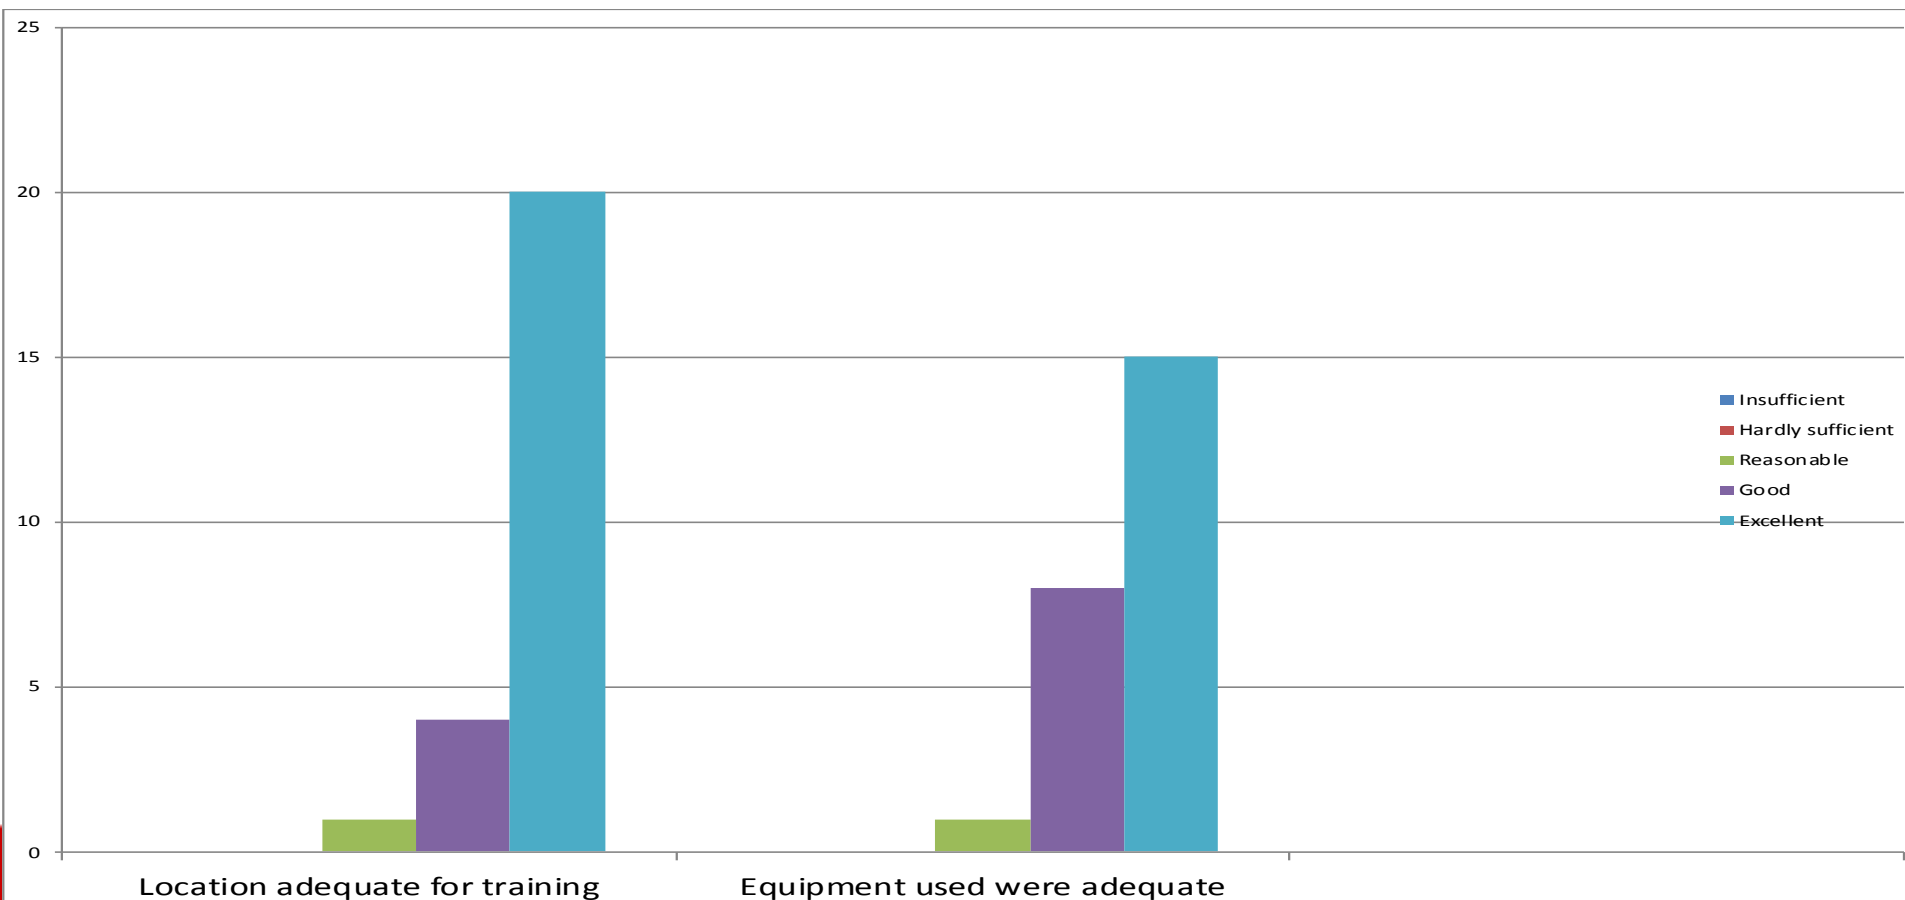

- Only one person did not fully like how the visit has been organised!

# Organisation of study visit

- Everything was OK!!!

# Participants' Comments

- We would like to see some experiences of Vertical Farming
- Improve the Time Management!
- Sometimes there is limited attention to other participants

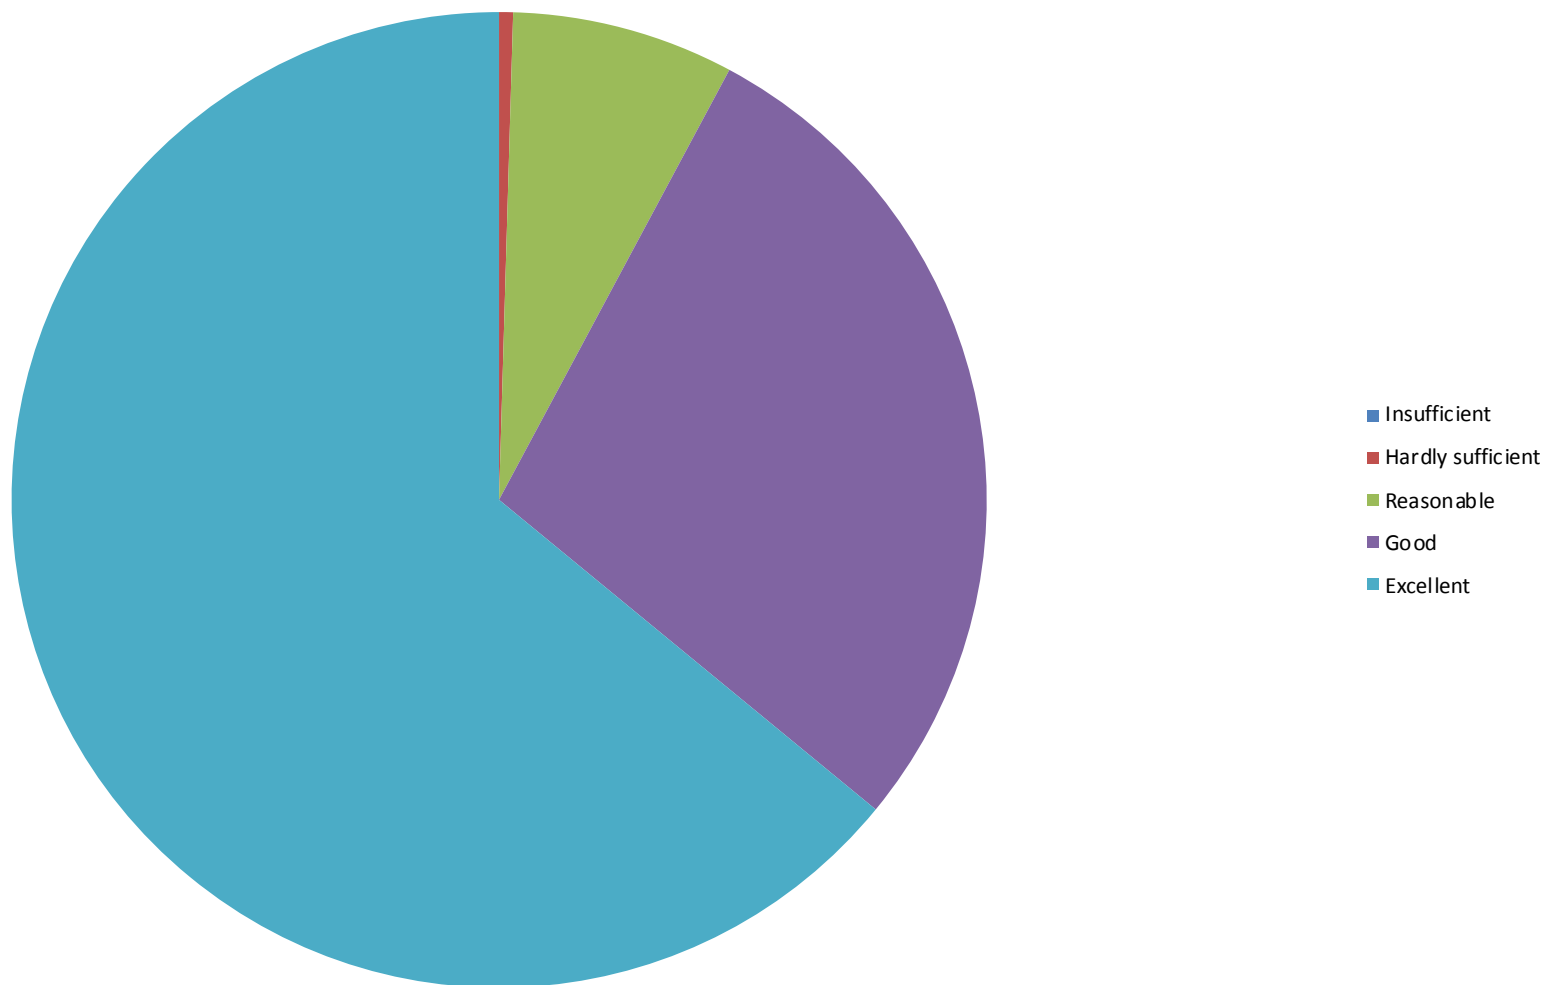

# Overall Evaluation in Venezia

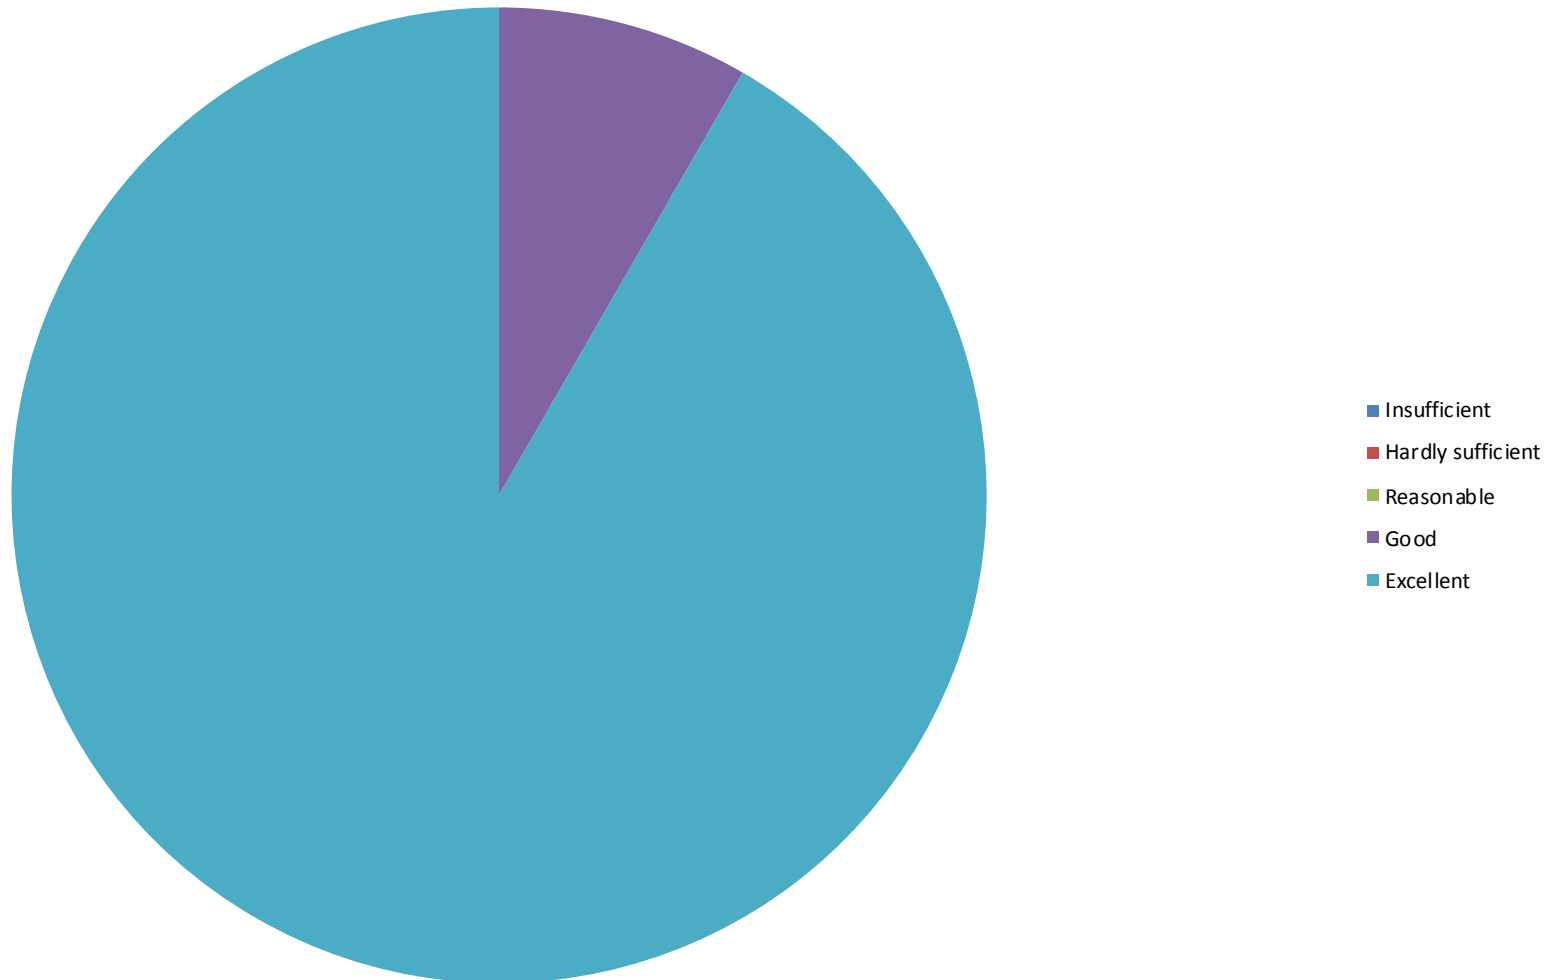

Overall Evaluation
