

# **University of Sarajevo (UNSA) Faculty of Agriculture and Food Sciences (FAFS)**

**Prof. Dr Pakeza Drkenda**

# UNSA in figures (students in 2016)

- 25 faculties and academies
- 5 university institutes
- 4 university centers
- 30 faculty institutes
- 23 laboratories & 15 centers
- 18.061 I cycle students
- 4.984 II cycle students
- 3.041 students of integrated studies (integrated I + II cycle)
- 556 III cycle students
- 765 pre-Bologna students
- 950 foreign students

6 )

# UNSA in figures (scientific work in

Co-funded  
Erasmus+  
of the European Union

- papers: 412 (international journals) + 543 (domestic journals)
- chapters in books: 85 (international) + 90 (domestic)
- books/monographs: 27 (international) + 149 (domestic)
- conference contributions: 405 (international) + 386 (domestic)

# Participation of UNSA in Erasmus +: Capacity Building/ Strategic partnership/Support for policy reform)

- **Capacity Building :**

- Coordinator in two two projects:
- [Ready for BUSiness – Integrating and validating practical entrepreneurship skills in engineering and ICT \(REBUS\)](#)  
Coordinator: Faculty of Mechanical Engineering (year 2016)
- [Western Balkans Urban Agriculture Initiative \(BUGI\)](#)  
Coordinator: Faculty of Agriculture and Food Sciences (year 2017)

- Participant in 10 projects

- **Strategic partnership:** 1project (participant)

- **Support for policy reform:** 1project (participant)

# Participation of UNSA in FP5/FP6/FP7/H2020

- FP5 (1998-2002) – 8 projects;
- FP6 (2002-2006) – 20 projects;
- FP7 (2007-2013) – 10 projects;
- H2020 (2014-2020) – 2 projects

# Faculty of Agricultural and Food Sciences 1940 – 2017

**77 years since establishment**

**71 working years**

**70 years of continuous  
working**

# Faculty of Agricultural and Food Sciences

- 110 employees
- 65 teaching staff
- 47 professors/docents
- 18 assistants

# Faculty of Agricultural and Food Sciences

## ■ 4 Departments

- Dept: Plant production
- Dept: Zootechnics
- Dept: Economics of Agriculture  
and Food Industry
- Dept: Food Technology

# Faculty of Agricultural and Food Sciences

## ▪ 8 Institutes

- Institute for Crop and Vegetable Production
- Institute for Fruitgrowing and Viticulture
- Institute for Pedology, Agrochemistry and Amelioration
- Institute for Agricultural Machinery
- Institute for Zootechnics
- Institute for Economics of Agriculture and Food Industry
- Institute for Plant Protection
- Institute for Food Technology

# Faculty of Agricultural and Food Sciences

## ▪ I Cycle Study Programme

### ▪ 2 Study Programme of Plant production :

- Crop and Vegetable Production
- Fruit Production and Viticulture

### ▪ 2 Study Programme of Zootechnic:

- Animal Production
- Aquaculture

### ▪ Economy of Agro-Industry

### ▪ Food Technology

# Faculty of Agricultural and Food Sciences

## ▪ II Cycle Study Programme

- Sustainable Management of Land and Rural Areas
- Phytomedicine
- Field Crops Production
- Vegetables Production
- Fruit Growing
- Floristry and Landscape Design
- Viticulture and Wine Production
- Animal Production
- Feed and Animal Feeding
- Aquaculture
- Economics of Agro-Industry
- Quality control of Food and Drinks
- Technology of Animal Origin Food
