INFO DAY

project

Western Balkans Urban Agriculture Initiative - BUGI

Friday, December 28, 2018, beginning at 10 p.m.

Faculty of Agriculture and Food, University of Sarajevo

Info day of the Erasmus + project "Western Balkans Urban Agriculture Initiative" - BUGI, was held on Friday, December 28, 2018 at the Faculty of Agriculture and Food, University of Sarajevo.

On that occasion, the BUGI project was presented, as well as previous project activities with a special focus on the analysis of the state of urban agriculture in Bosnia and Herzegovina and the next project activities. The special presentation referred to the presentation of the developed master study program "Urban Agriculture".

Apart from the employees of the Faculty of Agriculture and Food, the organized Info Day was attended by representatives of the University of Sarajevo - led by the Vice Rector for International Cooperation (Prof. Dr. Aleksandra Nikolić), representatives of the Džemal Bijedić University of Mostar, UNSA Institute of Genetic Engineering and Biotechnology, Faculty of Education UNSA, Student Associations PPF UNSA, Alumni Association PPF UNSA, businessmen and public institutions (JP Bosanskopodrinjske šume - Goražde, Plant - Tuzla. PMG cooperative Gradačac, Municipality Živinice), non-governmental sector (CRS and Proreha / Greens), as well as media representatives.
